Um Shelf

Dim: 84"W x 14"D x 6"H

Frame: Corian

Drawer: Wood

Finish: Standard

This modern cantilevered shelf is a sleek, minimalist piece that combines innovative design with practicality. Crafted from durable Corian, the shelf offers a smooth, seamless surface that is both visually striking and exceptionally resilient. Corian's non-porous nature ensures resistance to scratches, stains, and everyday wear, making it ideal for contemporary spaces. Integrated into the design is a single wood drawer, which provides concealed storage to keep items out of sight.
